

AIC TECH 2014
Call for Papers
12th Sept.,2014, Habitat World , New Delhi, India.

AIC-TECH is a one day conference which is organised by the ASHRAE(American Society of Heating, Refrigerating and Air Conditioning Engineers) **India chapter**. The last conference held on 14th Sept., 2013 at Habitat World , New Delhi was a great success, wherein it was attended by 200 delegates with nearly 10 technical papers presented in the conference.

Buoyed by the success, Ashrae India Chapter has now decided to conduct AIC-TECH 2014 on a grand scale, with a theme **“Emerging Energy Efficient HVAC Technologies - Road map to a Sustainable Future”**..

Prospective speakers are invited to submit an abstract of their paper related to the topics listed below:

1. Net Zero Energy Buildings
2. Simulation & Practical Tools
3. Day lighting & Artificial Lighting
4. Indoor Air Quality
5. Solar Utilization & Integration
6. Geothermal Utilization & Integration
7. Radiant cooling
8. Alternate Technologies, Prefabricated buildings
9. New Technologies
10. Design Software
11. Chilled Beams

The following information must be submitted:

1. The Title of the Paper.
2. All author/co-authors' names, affiliations, full addresses, telephone and **E-mail address of the Corresponding Author**.
3. A brief profile (less than 100 words) and photograph of each author/co-author
4. An abstract of the paper (less than 500 words)

The above information must be in word/pdf format and must be sent to ashraeindia@airtelmail.in no later than **June 30, 2014**.

Please note that the paper must be of a technical nature and must not be product specific. The presentation time will be 40 minutes. The authors of the accepted papers will be required to submit the full paper in specified format no later than **5th August, 2014**.
